**REF: NSE SYMBOL: ESCONET
ISIN: INE0RQZ01017**

Dear Sirs,

In compliance with provisions of Regulation 30 of the Securities and Exchange Board of India [“SEBI”] (Listing Obligations and Disclosure Requirements) Regulations, 2015, We, Esconet Technologies Limited are glad to inform that our company has entered into partnership with partnership with **Cato Networks**, a tech unicorn and a global leader in Secure Access Service Edge (SASE) technology, to offer Cato's cloud-based security services to its customers in India.

About Cato Networks

Cato Networks Ltd. is a Tel Aviv, Israel-based network security company that develops Secure Access Service Edge technology, which combines enterprise communication and security capabilities into a single cloud-based platform. It was founded in 2015 and has been recognized as a visionary in the Gartner Magic Quadrant for WAN Edge Infrastructure.

About the Partnership

Esconet Technologies is now certified and qualified to resell Cato's SASE platform, which combines enterprise communication and security capabilities into a single cloud-based platform. This collaboration is a significant step towards enhancing our commitment to providing top-tier security and network solutions.

Exchange is requested to take note of the same.
